New Mini Cloakroom Vanity Units

Two of our most popular vanity ranges, **Byford** and **Henbury**, now offer even more choice with the introduction of new mini cloakroom units. Created specifically for compact bathrooms and cloakrooms, these space saving designs deliver everyday practicality in a reduced footprint.

Available in **400mm** and **500mm** options, with both **wall hung** and **floor standing** styles, the range includes one and two door configurations to suit your layout. Each unit is designed to pair seamlessly with a coordinating ceramic basin, making it simple to achieve a balanced, cohesive look even in smaller spaces.

New Worktop Finishes Cast White Marble & White Quartz

Introduce a refined finishing touch with our new worktop options in **Cast White Marble** and **White Quartz**. Both designs bring a clean, contemporary aesthetic, elevating fitted furniture with a crisp, tailored edge.

The 15mm **Cast White Marble** solid surface offers a smooth, seamless appearance with a subtle marble effect, perfect for creating a calm, understated look. For a sharper profile, our **White Quartz** is available in a square edged 20mm style, delivering a bold, architectural finish with lasting durability.

New Finish Matt Stone

Understated and effortlessly versatile, **Matt Stone** brings a soft, contemporary warmth to our fitted furniture collection. Its smooth, muted tone creates a calm foundation that works beautifully in both modern and more classic interiors.

Now available across our **Bourton** and **Elmore** fitted furniture ranges, **Matt Stone** offers even greater freedom to personalise your space. Whether paired with bold brassware or subtle chrome details, it delivers a refined, cohesive look throughout the room.

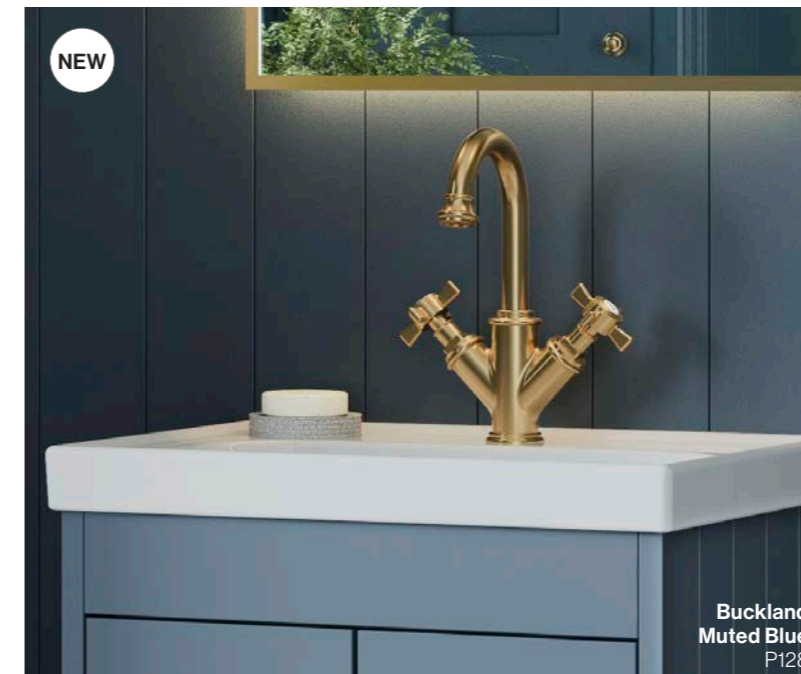

Discover **Matt Stone** in **Bourton** on [page 24](#) and **Elmore** on [page 56](#).

New Handles Ponto & Feeno

Introduce a refined finishing detail with our new **Ponto** and **Feeno** handle designs. **Ponto** features a modern flat knob, offering a subtle, contemporary accent, while **Feeno** presents a slim bar profile for a clean, streamlined look.

Available in **Chrome**, **Matt Black** and **Brushed Brass**, both styles are designed to complement a wide range of furniture finishes and bathroom aesthetics. Whether adding contrast or creating a coordinated scheme, **Ponto** and **Feeno** provide a simple way to personalise your space.

Discover our new handle designs on [page 250](#).

New Traditional Harlton Tap

Inspired by classic bathroom styling, the **Harlton tap** brings timeless elegance to both fitted and free standing designs. Its refined detailing and balanced proportions create an authentic traditional look, perfect for heritage inspired spaces.

Available in **Chrome** or **Brushed Brass**, **Harlton** features a practical swivel spout for added flexibility and ease of use. A considered finishing touch that blends character with everyday functionality.

Hartley Modular configurations

Hartley combines vanity and complement units to create a continuous, custom-sized run. Specify with a modular vanity basin or a worktop with sit-on basin. L-shape scribing panels ensure a precise wall-to-wall fit. Installation and any cutting must be completed by a qualified professional. Example layouts are shown, or use the units opposite to create your own configuration.

Modular Configurations with Modular Vanity Basin

The 1410mm Kenwyn vanity basin is designed exclusively for the 800mm two-drawer unit, which provides the required structural support and internal configuration.

The basin can be cut down on either side using standard woodworking tools to suit additional units and create a continuous installation.

Configuration Shown:
1 x 800 Two Drawer Vanity, 2 x 200 One Drawer, 2 x L Shaped Scribing Panel

Notes

It is important when ordering and booking installations that sufficient time is allowed between product delivery date and installation date for the checking of goods and, if required, the re-delivery of any rejected or damaged items.

Over 90% of the products shown in this brochure are held in stock and are dispatched within 48 hours of ordering, (up to 72 hours for parts of Scotland and more remote parts of the UK). Please check expected delivery dates at the time of ordering for any time-critical items.

Printed colours and wood grains are subject to print and screen variations and are for illustration purposes only. Please visit our website www.veldeau.co.uk or call our sales office on **01432 367 367** to request a sample for exact colour matching prior to ordering.

Prices in this catalogue include VAT at 20%.

Product Notes & Specifications

Please note that some of the images within the brochure are CAD generated and may not reflect the detail of product exactly. We strongly recommend that any questions relating to detail of any of our products are asked prior to ordering.

All carcasses are made from 18mm furniture grade MFC and supplied ready assembled. They come complete with hinges, wall hanging brackets and other necessary fittings. Door and fascia panels are packed separately for fitting once the carcasses are installed to help avoid damage. Doors are pre-drilled for hinges. Unit dimensions given are overall including fascias.

All plinths, fitter or decor panels and handles must be ordered separately unless otherwise stated.

All Veldeau bathroom furniture fascia panels have a furniture grade MDF core. Any exposure of the MDF core through cutting must be sealed with a proprietary sealant such as PVA or silicone to maintain the warranty.

Slimline basin units in bathrooms will require reduced-depth semi recessed basins. Veldeau units are designed at a height to allow good access underneath the carcasses to run any pipework required.

Due to space restrictions on slimline units, the rear legs should be removed to run a soil pipe through, and rigidity is maintained by the front legs and wall fixing.

All our concealed WC cisterns are suitable for front access servicing. If other manufacturer's concealed cisterns are

used, service accessibility should be checked.

All Veldeau cast basins are made from a mineral powder/polyester resin. The surface is protected by gel coat which is at least 0.5mm in thickness. Clean and care for your top with a normal liquid detergent (do not use detergents containing abrasives) and buff with a good quality polish to keep your cast top in tip-top condition.

Postformed Laminate Worktops have a 22mm chipboard core and are supplied with a length of matching edging for re-sealing when cut.

Bath side and end panels are supplied in 2 parts to give height adjustment so they can be suited to any standard bath.

Taking Care of Your Veldeau Products

By following some simple care and cleaning guidelines, Veldeau products can be expected to give many years of enjoyable and trouble-free service.

Veldeau Bathrooms are designed to be used within domestic environments. As with all timber based products, ventilation is key, and your bathroom furniture will be adversely affected if subject to excessive moisture on the surface or in the atmosphere. It is strongly recommended that a suitable bathroom extractor fan is installed to prevent condensation building up and to prevent damage to the furniture.

Veldeau Bathrooms timber based fitted furniture must never be installed in a wet-room situation.

It is most important that any cut or exposed panel edge, and any floor or wall abutment with furniture or sanitaryware must be sealed with a waterproof sealant such as silicone to avoid the possibility of water ingress and damage.

All water spills and sprays must be wiped clean and mopped dry immediately to prevent water marks or other damage.

Never use chemical or abrasive cleaners, bleach or furniture polishes on any bathroom furniture as the finish can be affected. Clean only with a soft damp cloth and a mild soap solution as necessary.

CERAMIC SANITARYWARE - Clean with a damp cloth and warm soapy water. Rinse with clean water and polish with a soft cloth. Avoid using cleaners that contain abrasive solvents, acid or ammonia.

BRASSWARE - Clean with a damp cloth, rinse clean and polish with a dry cloth. Avoid using cleaners that contain abrasive solvents, acid or ammonia.

DIMENSIONAL TOLERANCE - Due to the nature of materials and production processes, dimensions may vary within a tolerance of ± 2 mm on furniture, ± 3 mm on cast basins and ± 5 mm on ceramic.

Returns Policy

Any damaged or unwanted items must be reported within 7 days and made available for collection within 28 days. Any items ordered and delivered in good faith but no longer required will be subject to a 25% handling and re-stocking charge.

Non-required items can only be accepted for return if:

- They are returned in original packaging.
- They have not been fitted in any way (this would include legs fitted onto carcasses).
- They are in re-saleable condition.

Picking or Delivery Errors & Manufacturing Defects must also be reported within 7 days and made available for collection within 28 days.

Credit will be given once the goods are received back, inspected and signed off.

Any goods under this policy should be returned to the retailer that they were purchased from.

Credit Approval or Refusal:

Once returned goods are received and inspected as per terms above, credit will either be approved or refused. If refused, a credit refusal number is assigned, and a written reason given and sent by email. Goods will then be held for 7 days before disposal. Any query regarding the refusal must be logged during this 7-day period.

All orders are subject to our standard terms and conditions of sale which can be found at www.veldeau.co.uk/terms-conditions

A hard copy of our terms and conditions is available on request by calling us on 01432 367 367 or emailing your request to sales@woodstockco.com.
